 **01270 875891**  [Admin@junction17.net](mailto:Admin@junction17.net)

Essential Qualification/Experience –

- Be reliable and hard working
- Be polite and professional
- Good time keeping

What will you be doing?

- Delivering CPC classroom training to a standard required by JAUPT
- Maintaining records of CPC training
- Attending Refresher courses when needed

## J17 | Freelance CPC trainers required.

Due to the increase in DCPC bookings we are currently looking for part-time, freelance CPC trainers.

Ideally this role would suit someone who is an experienced driver trainer (preferably 2 years' experience) who can bring a good level of knowledge to the role - however we pride ourselves on the level of engagement with our delegates so you must have good communication skills.

We also welcome submissions from trainers with experience in alternative forms of driver training such as HGV, Electric Vehicles, Trailer, OLAT or Earned Recognition Auditing or any ADI's looking to diversify.

The courses will predominantly be on a Saturday or Sunday and can be in various locations across the country as we have a large national client base.

Competitive rates of pay depending on location.

If you are interested in this role, please email your CV to [admin@junction17.net](mailto:admin@junction17.net) or call 01270 875891.
